This extensive academic portfolio reflects Mr. Mamanyoha's dedication to intellectual growth, professional excellence, and the acquisition of knowledge that supports effective leadership in government, political organisations, and community development.

Political Leadership and Governance

Mr. Mamanyoha has distinguished himself through a long and progressive political career characterized by strong organizational leadership and commitment to democratic governance. His leadership journey began during his student years when he served as **President of the Student Representative Council (SRC) at Bantori Business College** between 2001 and 2003.

Within the **African National Congress Youth League (ANCYL)**, he held several influential positions, including **Convener** and later **Chairperson of the Chris Hani Branch**, where he played a key role in youth mobilization, political education, and community engagement initiatives.

His political growth continued within the **African National Congress (ANC)**, where he served as:

- ANC Branch Treasurer (2006-2007)
- ANC Branch Deputy Secretary (2007-2008)
- ANC Branch Secretary (2013-2020)
- ANC Letaba Sub-Regional Secretary (from 2018)
- ANC Deputy Regional Secretary of the Norman Mashabane Region (2022-2024)
- ANC Regional Deputy Chairperson of the Norman Mashabane Region (2024-2025)
- Acting Regional Chairperson of the ANC Norman Mashabane Region (2025-Present)

His political influence extends beyond party structures. He has served as a **NEHAWU Shop Steward**, worked closely with community organizations, and maintained active involvement in civic development initiatives aimed at strengthening local governance and community participation.

Community Leadership

Throughout his career, Mr. Mamanyoha has remained deeply connected to community development and grassroots empowerment. He has served on ward committees, clinic committees, educational support structures, and advisory bodies that work with traditional leaders, school governing bodies, water committees, business forums, and local development stakeholders.

His leadership philosophy is grounded in participatory governance, accountability, and service excellence. He is widely recognized for promoting collaboration between government, communities, and development partners to improve service delivery and create sustainable opportunities for local economic growth.
