RATING SCALES

The assessment of the performance of the Employee will be based on the following rating scale for KPAs and CCRs:

Level	Terminology	Description
5	Outstanding performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.
2	Performance not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan.
1	Unacceptable performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.

6. PERFORMANCE ASSESSMENT PROCESS

The following steps will be followed to ensure a fully participative and compliant performance assessment process is adhered to.

1. Performance Assessment:
 - 1.1. Formal assessment between employee and employer will take place twice a year to measure the performance of the employee against the agreed performance targets for the half yearly and yearly assessments respectively.
 - 1.2. Actual performance against the targets will be captured in preparation for the assessments.
 - 1.3. Scores of 1-5 will be calculated based upon the progress against targets.
 - 1.4. KPI's and targets are audited before assessment date and their findings must accompany the Performance Plans.
 - 1.5. The employer must keep a record of the mid-year assessment and annual assessment meetings.
2. The employee being assessed will compile a portfolio of evidence confirming the level of performance achieved for a given assessment period and made available to the Panel on request. One independent person may be assigned to act as an Observer.
3. The process for determining Employee ratings are as follows:
 - 3.1. The panel to rate the achievement for the KPI's on a 5-point scale. Decimal places can be used.
 - 3.2. The employee to motivate for higher ratings where applicable.
 - 3.3. The panel to rate the employee's core competency requirements (CCR) on the 5-point scale. Decimal places can be used.
 - 3.4. The panel scores are averaged to derive at a total score per KPI / Activity / CCR. Overall scores are calculated by taking weightings into account where applicable.
 - 3.5. The final KPA's rating will account for 80% of the final assessment total. The CCR's are to account for 20% of the final assessment total.
4. The five-point rating scale referred to in regulation 805 correspond as follows:
Rating: 1 2 3 4 5
% Score: 0-66 67-99 100-132 133-166 167
5. The assessment rating calculator is used to calculate the overall % score for performance.
6. Annual performance evaluation to determine the final ratings and scores as well as recommend performance bonuses will be conducted by the appropriate panel as constituted by Regulation 805 of 2006.
7. The performance bonus percentages described in the performance agreement will be calculated on a sliding scale of the all-inclusive remuneration package as indicated in table below:

% Rating Over Performance	% Bonus
130-149%	5-9%
150% and above	10-14%

8. The Personal Development Plan (PDP) can be reviewed after the performance evaluation had been finalised in case where more clarity has been established on what the essential development needs for the relevant person will be.
9. The results of the annual performance evaluation will be submitted to the performance audit committee for final approval of the assessment/s /evaluations.
10. Performance bonus, based upon the annual evaluation, will be subject to approval by Council.
11. The performance evaluation results of the Municipal Manager will also be submitted to the MEC responsible for Local Government in the Province.
