## 1. Introduction

Section 28 of the Municipal Systems Act 32/2000 requires that each municipal Council should adopt a process that would guide the planning, drafting, adoption and review of the IDP and Budget. Clear and established mechanisms, procedures and processes for consulting with communities are imperative and should have been followed before such plan is adopted by Council. Section 21 of the MFMA 56 of 2003 provides that at least 10 months before the start of the budget year, the Executive Mayor should table in the municipal council a time schedule outlining key deadlines for—(i) the preparation, tabling and approval of the annual budget; and (ii) the annual review of the integrated development plan in terms of section 34 of the Municipal Systems Act.

## Disabled learner receives a laptop from Miya Roofing

A disabled Rirhandzu Mkinsi, grade 12 learners at Bankuna High School received a laptop from Miya Roofing.

The donation came after the school approached Miya Roofing to donate the laptop to the girl to enable her to write final exams which begins on 31 October.

The roofing company responded positively to the plea to help. According to her teachers, Rirhandzu from Nkwenkweni Section C comes from a disadvantaged background.

Her legs and hands are not fully functional. Rirhandzu uses a wheelchair to get around and needs the help of her younger sister to get around, even at school.
