MOPANI DISTRICT MUNICIPALITY HOLDS A COUNCIL SITTING IN GIYANI

The Mopani District Municipality has held its council sitting at the Giyani community hall on the 31st July 2018. A number of items on the council's agenda were discussed and adopted. All councillors commended the administrative staff for ensuring that there is a sound Corporate Calendar which outlines the program for the coming financial year. The calendar will help to ensure that there is proper planning, scheduling council meetings and also ensure that successful events by the district municipality are held.

The council highlighted that the corporate diary be monitored on a monthly basis to ensure compliance.

Another item that was also tabled is the Audit Committee Charter for the 2018/19 financial year. This will serve as a measuring tool for the evaluation of the performance of the Audit Committee.

The incorrect billing system that the Ba-Phalaborwa local municipality previously had was also corrected and adopted by the council.

MDM TO HOST A WARD COMMITTEE CONFERENCE IN THE GREATER TZANEEN

About 350 delegates are expected to converge at the Karibu Leisure Resort outside Tzaneen for the Ward Committee Conference to be held from the 16th to the 17th of August 2018. The majority of the delegates will be ward committee members and councillors from across the district. The delegates at the conference will discuss the reports of the ward committee members, revisit their functionality and also highlight some of the challenges that they are faced with in communities on a daily basis. The preparations for the 2019 general elections and the change of the SASSA pay points will be some of the topics of the day. The Executive Mayor Cllr Nkakareng Rakgoale will deliver an opening address.
