## MOPANI DISTRICT MUNICIPALITY HOSTS EXCO IMBIZO AT BUQA VILLAGE

The residents of ward 25 and other wards in the Greater Letaba Municipal area have been afforded an opportunity to interact with the Limpopo Acting Premier Ishmael Kgetjepe, Members of the Executive Council, Acting Executive Mayor Wireless Sedibeng, and the Greater Letaba municipality Mayor Peter Matlou during an Imbizo held at Boqa village on Friday-13 July 2018.

The residents used the opportunity to raise service delivery concerns. They have called on all provincial departments, the Greater Letaba Municipality and the Mopani District Municipality to improve on efforts of providing them with services that they need.

The service delivery concerns highlighted by the community representatives on the day include poor roads infrastructure, lack of water in some areas, a satellite police station among others.

MECs responsible for various departments also updated the residents on how far their departments gone in terms of addressing service delivery challenges. The Mopani District Municipality Acting Mayor Wireless Sedibeng also took advantage of the Imbizo to update the residents on the progress that is being made by the district municipality in the provision of water to communities

Government departments also rendered some services to communities at the venue. The South African Social Security Agency-SASSA also issued the beneficiaries of social grants with the new cards. Various musical groups entertained the crowd on the day.
