DATE: 28 May 2015

INVITATION TO WATER SUMMIT

The Mopani District Municipality has for long been in the spotlight with regard to water supply challenges. The district municipality has been hard at work bringing various mechanisms in place to deal with these challenges. Although requisite progress has been made in addressing the water shortage challenges, there are still communities in the district who still experience water shortages.

It is against this background that the Executive Mayor of the Mopani District Municipality, Cllr Nkakareng Rakgoale has called a District Water Summit. The summit is aimed at bringing various community stakeholders and role players in the water sector to find a multi-faceted approach on the water challenges experienced by communities in the district. The summit will be held under the theme “water is life, sanitation is dignity.” You are invited to the summit which will be held as follows:

DATE: 03 June 2015

VENUE: Makgoebaskloof Hotel

TIME: 08H30
