The **40%** under performance was due to low revenue collection which caused by local municipalities not transferring money services. The non implementation of resolutions by directorates in terms of Risk mitigations, Audit committee resolutions and Internal audit issues. The non spending of grants also cause a major impact for the 3rd quarter performance . In terms of the WSIG grant, the Department of Water delayed in transferring funds to the municipality, which in turn delayed the municipality to commit. the Announcement of the lockdown by the president during the month of

march , also played a role in the municipality not fulfilling its mandates as set out in the IDP and SDBIP. The programmes affected by lockdown was approval of the draft IDP and budget, Mayoral IMBIZO, IDP REP forums and approval of the Oversight report by council. The above mentioned programmes were later rescheduled for the 4th quarter.
