## 1. Executive Summary

### 1.1.1 Introduction

Section 71(1) of the Municipal Finance Management Act (MFMA) requires from the Municipal Manager, as Accounting Officer of the Municipality, to submit a report in a prescribed format to the mayor and respective provincial treasury within 10 working days after the end of each month on the state of the municipality's budget for that month and for the financial year up to the end of that month.

### 1.1.1 Consolidated Performance

Statement of financial performance (Table c2, c4)

#### REVENUE (Table c2, c4)

The municipal Revenue budget for the year was approved at R1.69 billion to cater for operational activities and R550 million for capital expenditure. An amount of R853.3 million as of 30 September 2023 was received, included in the R853.3 million is R500 million for equitable shares received from National Treasury. Out of R347.1million received for capital, only R146.8 million has been recognized as income for meeting the condition of the grant.

The municipality is currently recognizing conditional grant such as Municipal Infrastructure Grant as liability which is the requirements with generally Accepted Accounting Practice (GRAP). This grant will only be recognized as revenue once they have meet conditions of those grants.

The municipal payable to date is currently reported at R1.2 billion which R827 million. Excluding historic debt for the purchase of bulk water from Lepelle and DWS.
