4. Revenue Management

The Municipality's revenue sources are as follows: -

- Water and sewer service charges
- Fire services charges.
- Environmental Health service charges
- Air Quality services charges
- Sale of tenders

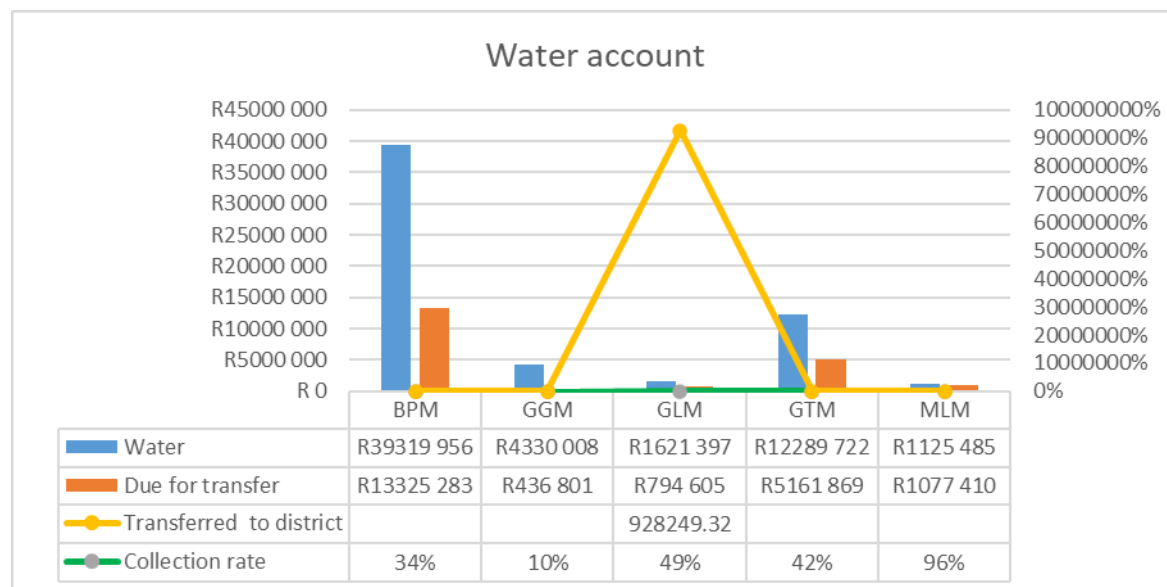

The main own revenue is water and sewer transaction that are done at the local municipalities on behalf of the District Municipality

4.1. Billing on Water and Sewer Services

All the local municipalities have not yet submitted their September 2025 reports.

a) Local Municipalities invoiced as of 30 September 2025

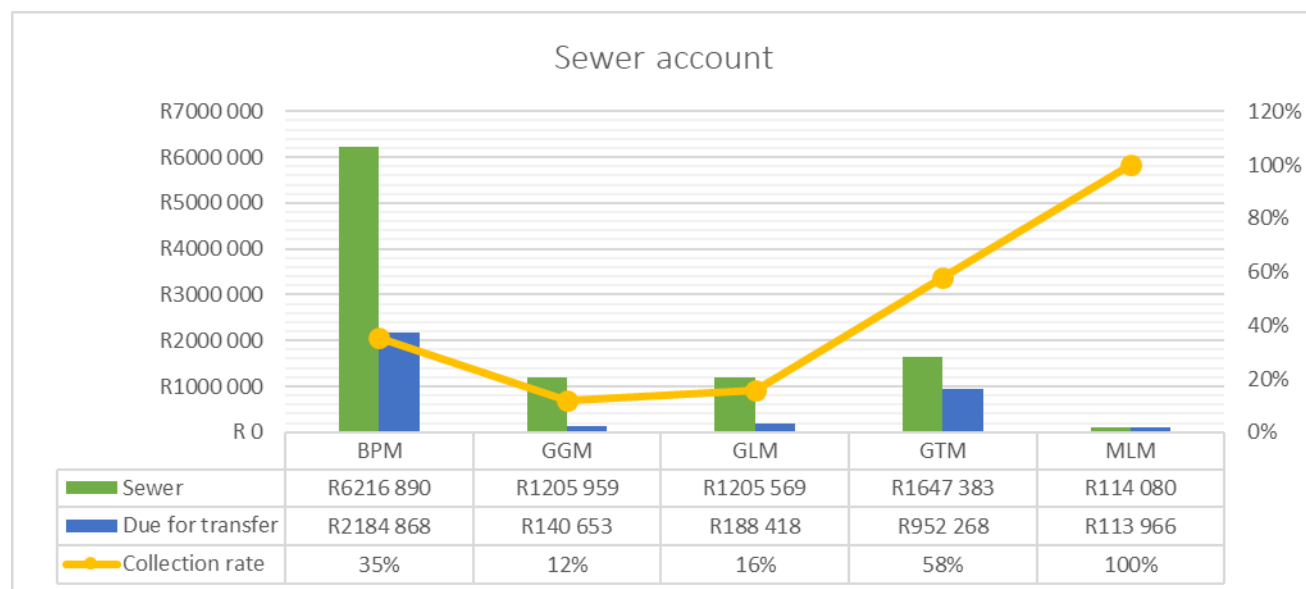

Figure 2: Water account

b) Sewer Billing

The following graph illustrate the performance of the sewer services.

Figure 3: Sewer Account

c) Local Municipalities Costs Recovery Report (Expenditures)

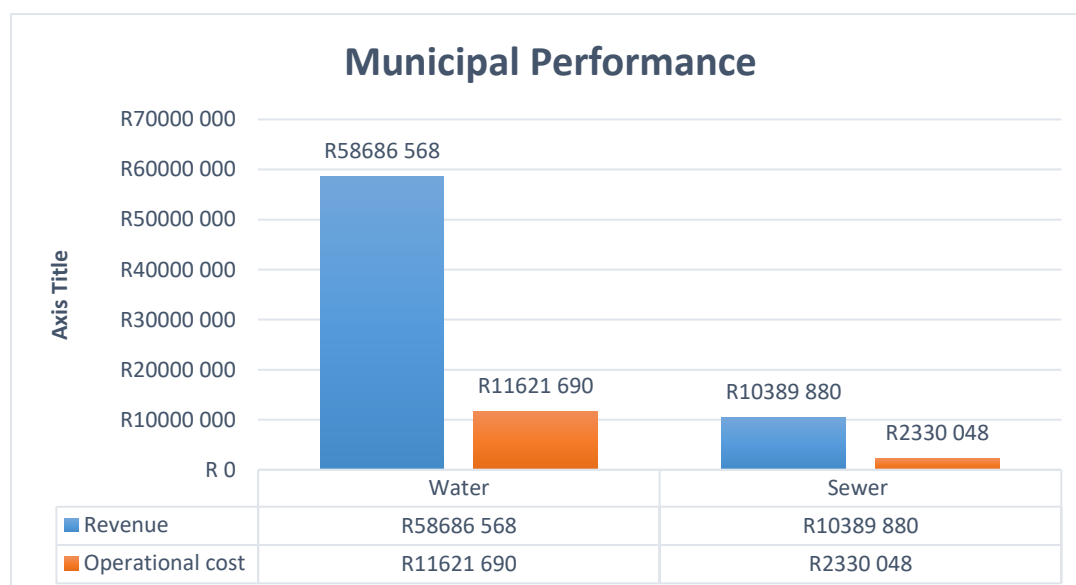

Figure 4: Cost recovery.

The revenue invoiced on water and sewer for functions performed by local municipalities as per the above two tables. Municipalities has not yet transferred the money to the district municipality. As such further engagements with the local municipalities is critical. The local municipalities need to invoice the district on the total expenditures incurred on the water and sewer transactions.
