According to Minister of Transport Ms Sindisiwe Chikunga, the 2024 theme “Fika Usaphila” (Arrive Alive) emphasizes the importance of being cautious and making safe choices while traveling to prevent accidents and ensure a safe arrival at one's destination. The Easter holidays are upon us once again. This is a time many of us use to reconnect with friends and loved ones we don't see as often as we would like during the year.

Easter is a time of great significance for many worshippers who gather to celebrate Christ where many people will be celebrating this weekend at various places of worship, traveling to visit friends and relatives, traveling to various holiday destinations or host celebrations.

Many of us will drive to other towns and provinces during this period. I would like to plead with everyone who intends to travel to

take the necessary precautions, and once on the road to please obey all the road traffic rules and regulations to ensure that we all arrive at our various destinations alive and safe.

Motorists and road users are reminded to: ensure your vehicle is roadworthy and in good condition, avoid driving under the influence of alcohol or drugs, obey speed limits and drive according to the conditions, take regular breaks to avoid fatigue, always wear your seatbelt and ensure all passengers do the same, be mindful of other road users, including cyclists and pedestrians.

Road users are reminded to obey all the rules of the road, and be vigilant during the upcoming Easter long weekend. Don't drink and drive! Arrive Alive!

On behalf of Mogalakwena Municipal Council, I wish everyone a blessed and safe Easter holidays. May this time of renewal revitalize your spirit and strengthen your faith. To those who will be travelling, we wish you to travel safe.

May you be blessed with peace and happiness during this Easter long weekend. We wish you all a safe, joyous and spiritually fulfilling Easter long weekend.
